3. (6 分)

In 1985 millions of people were listening to Conga, a hit song. It made singer Gloria Estefan and bandleader Emilio Estefan international stars. Born in Cuba, Gloria was only 16 months old when she and her family moved to the United States. By that time she was already showing musical talent. She first met Emilio when he went to speak to her high school music class. Soon after, he convinced her to join his group. The two

married a few years later. In 1990, while they were enjoying their success, Gloria broke her back in a traffic accident. She recovered and went on to win many awards for her Spanish and English songs.

- (13) ___ Conga is _____.
(a) a popular song (b) a Cuba girl (c) a famous star (d) a Spanish singer
- (14) ___ Gloria was _____.
(a) injured in an accident (b) a music teacher (c) from Spain (d) a bandleader
- (15) ___ Which of the following is NOT true?
(a) Gloria and Emilio got divorced after a traffic accident.
(b) Gloria already showed her musical talent when she was still very young.
(c) Gloria got married with Emilio after she joined his group.
(d) Gloria met her husband when she was in high school.

4. (13分)

I have always been a work-hard, play-hard (16) kind of guy. I grew up in Idaho, and my family did a lot of (17) like rock climbing and white-water rafting (18). Lately, people have named these activities “extreme sports,” but to me they have always seemed just like normal fun (19). I have been working on a master’s degree for a couple of years, but I still take time out to play. Since I (20) to San Diego, I have gone on six scuba dives and last year. I finally learned how to skydive. This month, I have already completed five jumps.

- (16) “work-hard, play-hard” means : [譯文] _____
- (17) ___ (a) adventure sport (b) adventuring sport
(c) adventurous sporting (d) adventure sports
- (18) “white-water rafting” : [譯文] _____

(b) He used to work at a local hospital for 3 years.
(c) He likes to get divorced if possible.
(d) This is his second marriage.

6. (6分)

What are some new developments in naming children? Many parents are using yesterday’s nicknames as today’s formal given names. Carrie is becoming more popular than Caroline, for example. Also, more and more parents are selecting unisex names (25) such as Dana, Leslie, or Marty. Any many are turning to their roots and choosing names from their ethnic background. Names like Lateef (North African: “gentle”) and Jonina (Hebrew: “dove”) are showing up on birth certificates (26).

- (25) “Unisex names” : [譯文] _____.
- (26) “Birth certificates” : [譯文] _____.

7. (9分)

The interviewer, Judy Darling, made some final observations about Sheila Kendall’s findings on the

connection between astrology and license plates. There are two dangers inherent in her new form of astrological forecasting (27). First, most of the signs span more than one month, so you cannot be absolutely sure you have the true sign. Second, by the time you are close enough to read the months on the license plates, you are too close.

- (27) "astrological forecasting" : [譯文] _____.
- (28) __ How many dangers are there according to the passage?
(a) One. (b) Two. (c) Three. (d) We cannot be absolutely sure.
- (29) __ Who is the interviewer?
(a) Sheila Kendall (b) An astrologer (c) Judy Darling (d) We don't know.
- (30) __ Why can't one be absolutely sure about the true sign and thus the connection between astrology and license plates?
(a) Because most of the signs span more than one month.
(b) Because nobody believes it.
(c) Because Sheila Kendall is a liar.
(d) Because it is exciting to get too close to a car in front of yours.

8. (9分)

- (31) __ "What's your major in college?" :
(a) 你是學院的主管嗎? (b) 你在大學讀什麼系?
